DRYDEN TOWN CLERK

To: The Town Board of Dryden, Dryden New York

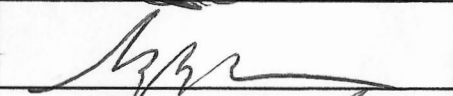

Purpose: We, the undersigned residents of the Town of Dryden, request the immediate installation of traffic warning signs to protect local children. Specifically, we request a sign that indicates Bus Stop ahead or Caution: Children at Play signs.

There are multiple families in the 1920-1960 Slaterville Road range (Route 79) with school children.

This area is currently a passing zone when traveling west and there have been multiple incidents where cars have passed the stopped bus and cars, commonly excessively speeding above the 45 mph signs and ignoring the no passing striping when driving east.

These vehicles pose an immediate danger to students waiting at the stop and entering/existing the already stopped School Bus.

By signing below we urge the Dryden Town Board and Highway Department coordinate and work with NY State DOT as needed to evaluate this location and install appropriate safety signage.

Name (Printed)	Signature	Address	Date
GERHARD JOGGER		1946 SLATERVILLE RD. ITHACA, NY. 14850	6/4/26
Susan Mazza		1946 Slaterville Rd ITHACA, NY 14850	6/4/26

Jim Dolloway	Jim Dolloway	1936 Slaterville Rd.	6/23/26

I experience cars passing when I'm trying to pull in + out my driveway.

I have brought this to the St Highway Dept before about speed zone and inappropriate lack of signage regarding speed and school bus stops (no warning).

I have had cars pass me when I am turning left into my driveway ON THE LEFT SIDE!!!

NO PASSING ZONE!!! IT'S A FREE FOR ALL HERE.
I HAVE called the troopers for 21 years.

Often times while getting my 4 children of the bus I have been nearly hit multiple times by cars not wanting to stop.
